# BMW GROUP STANDARD DATA. QUESTIONS & ANSWERS.

## Microsoft Teams is required for the webinar. Where do I get this from?

During the pilot phase, please register [here](#) and simply state the reason: "Webinar BMW GROUP SD".

## When does the webinar take place?

The exact course dates can be found in the invitation email from the MTM Academy (akademie@dmtm.com). You will usually receive this email 10 days before the booked date. Two more memories follow, 4 days before the appointment and immediately 1 hour before the appointment.

## Where can I find the training documents I need?

You can find all the necessary data cards and documents [here](#) in the My Academy section of the course, which will be activated for you personally (start course).

Login or registration is necessary.

## Why is registration necessary?

The training concludes with a exam according to the training and exam regulations of the MTM ASSOCIATION e. V. After passing the exam, the participants receive the respective license which is sent to the data you have provided. It is recommended to use the business contact details.

## Where can I find the link to the teams event??

The link to the Microsoft Teams Event can be found [here](#) in the My Academy section of the course, which will be activated for you personally (start course).

Login or registration is necessary.
